

Directions to Kitchen & Associates Architectural Services, PA From North Jersey

Map: *Not to scale - for directional use only.*

Directions:

1 If taking the NJ Turnpike, exit at 7A for I-195 West. Take I-195 West to I-295 South. Take exit #40 of I-295 onto Route 38 West

2 Continue on 38 West, passing the Moorestown Mall (on your left), and then the Cherry Hill Mall (on your right). After the Cherry Hill Mall, when Route 38 narrows to 2 lanes under a RR trestle, move into your right lane.

3 You will pass a Blockbuster Video store on your right, then take the 2nd Cuthbert Blvd exit (Southbound / Oaklyn) -- you need to go under the overpass before exiting onto the ramp.

4 Go to your 4th traffic light at Haddon Ave (Wawa, KFC and a new Walgreen's on the corner), and turn RIGHT onto Haddon Ave. Follow to #756 (on your left, at the corner of Haddon and Irvin) about 1/4 - 1/2 mile down. If you come to another traffic light (Collings Ave)...you have gone a block too far.

5 Our building is a restored brick schoolhouse (with a pedestal clock in front). If you turn LEFT onto Irvin Ave (before the clock), you can swing around back into our parking lot and come up the stairs.
